The Best is Yet to Come!

As much fun as you've had, the best is yet to come because nestled in the heart of Olde Mistick Village is the Cornerstone Playhouse; home of some of the most exciting entertainment and talented performers to be found anywhere.

CORNERSTONE PLAYHOUSE

The Playhouse boasts only 237 seats and each has a perfect view of the stage. Every group will get either front row or isle seats. There are no steps to negotiate and no balcony. The seats are raised and the stage is raised too! There is a new lighting and sound system so you can see and hear everything perfectly. Your coach drops you off at the door and at the conclusion of the performance it will be waiting for you. The Playhouse's environment is always comfortable be it the hottest days of summer or coldest winter days. But ...

Irresistible Musical Theater

The true magic is the dynamic and talented cast that will amaze, astound and delight you when the curtain rises. Our casts are members of the Actors Equity Association.

This exclusive and coveted organization represents the brightest and most talented performers in the world. Some of the company hails from New York City. Others have performed in Vegas,

on Cruise Lines, and at Disney. Some are professors at Quinnipiac or are associated with Yale University in New Haven. This incredibly dedicated cast of performers will absolutely blow you away with their amazing vocal numbers, dazzling dance routines, hilarious comedy sketches and super high energy.

Groups that have "Broadway in their Backyard" travel

3 or more hours to experience these shows.

They've discovered that there is nothing comparable to a Cornerstone Production.

More, more and more

At the conclusion of the performance we'll have a snack pack box lunch for your trip back home...that's right a second meal:

- ◆ Turkey wrap
- ◆ Homemade baked good
- ◆ Piece of fruit
- ◆ Bottled water

So there is absolutely no need to worry about stopping on the road for dinner because dinner will be waiting for you when you get back on the coach after the show.*
